- Lisa Rowe, Post Cursillo Chair

Agenda

- Prayer to the Holy Spirit
- Group Reunion
- Adoption/correction of Meeting Minutes & Committe Reports – All minutes and reports were reviewed ahead of time and adopted as a group. Bill made a motion to approve all minutes as they are and Dave seconded.
- Old business – Database progress – need follow up
- Purchase of 2 additional racks for storage shed: approved funds for Bill Benning to proceed with the purchase.

Discussion Points

- **How meetings will take place moving forward.** John would like to leave the chairs work independently as they are the facilitators. If we need to vote on something, the chairs can bring that to the meeting. Minutes and reports should be presented to the Secretariat ahead of time so there's no need for discussion at the meeting. Would like to have more prayerful meetings. We will still group as usual. All meetings will end in the chapel in thanksgiving to our Lord and Savior.
- **Lay Coordinator Elect** – John appointed Dan Brown. He has previously served as a committee member and certainly has the experience.

- **School of Leaders** – Will be postponed due to the SOL requirements for Team prep for the upcoming weekends. Will possibly consider SOL in August.

Decisions Made

- The Secretariat reviewed a proposed letter to be emailed to all priest and deacon cursillistas. The body of the letter consisted of a request to consider serving as a Spiritual Advisors for future Cursillo weekends. After consideration, the Secretariat decided that "personal contact" with the priest and deacon cursillistas is the best approach. Lisa Rowe made a motion to decline this approach. John seconded and the motion was approved by all.
